Cost-effective

#### COMMITMENT TO QUALITY AND SERVICE

Since 1984, Capital Rubber has built a reputation for producing silicone tubing for various UK industries. We are pleased to extend our service to dairy farmers with the introduction of dairy tubing direct, the most cost-effective way to buy replacement tubing and fittings. Our customers include small farmers wanting tubing for milking, to multinational automotive companies. We deliver for our customers.

**HIGH TEAR STRENGTH SILICONE DAIRY TUBING AND FITTINGS AT DISCOUNT PRICES. FOR EXAMPLE...**

**Silicone tubing 14mm x 24 mm (20m coils) £58.94 per coil**

**Twin Pulse Silicone Tubing 7mm x 14mm (20m coils) £46.00 per coil**
